Re: Parade Application/Permit – Polish Constitute Day Parade

Dear Sir or Ma'am,

The Chicago Police Department is aware that you have previously filed an application for a parade permit with the Chicago Department of Transportation. As with all parades and other large scale events, in order to ensure the safety of all participants and spectators, the Chicago Police Department strictly enforces alcohol-related laws and other quality of life statutes and ordinances. These laws include, but are not limited to: drinking on public ways, drinking on public ways within 800 feet of a parade route that is not open to traffic, possession of alcohol by minors and public urination. To the extent you apply for a future parade permit and it is granted, the Chicago Police Department appreciates your cooperation and looks forward to working with you on any issues that may arise before, during, and after your parade.

Sincerely,

A handwritten signature in black ink that reads "Jill Stevens".
